What did you do last summer? Ask your partner.

【解答例】

Last summer, I went to Wakayama with my family to see my grandparents. We visit them every summer. We usually stay with them for a week. One evening, I went to see a fireworks show on the beach with my cousins. We all wore *yukata*. It was pretty crowded, but the fireworks were beautiful. After that, we went back to my grandparents' house and had some watermelon. The next day, we went fishing in the river, and I caught three fish. We barbequed them by the river.
