(解答例)

I disagree that the school should provide more online classes. It is true that there are some advantages to online classes, but it can be difficult to concentrate on your studies at home. In addition, spending a long time in front of a screen is bad for your eyes.

(別解例)

- I think that the school should provide more online classes. It is true that we have less social interaction with online classes, but some students are shy and learn best in an online environment.

### EARTHRISE English Logic and Expression III Standard

- I disagree that the school should provide more online classes. It is true that online classes are more cost-efficient, but just watching laboratory experiments, for example, is not as educational as actually doing them yourself.

(解答例)

I disagree that the school should provide more online classes. It's true that there are some advantages to online classes, but it can be difficult to concentrate on your studies at home. In addition, spending a long time in front of a screen is bad for your eyes. I think face-to-face classes are much better.

(別解例)

I think that the school should provide more online classes. It is true that we have less social interaction with online classes, but some students learn best in an online environment. For example, shy students who do not usually raise their hand to ask questions can use the chat box function to ask for help.
