[１] アメリカから来た留学生のアダムが，学校の昼食時間にユイと話をしています。

Yui:　　Hi, Adam.　Wow, your lunch is beautiful.　It looks really delicious.　Did you make it yourself?

Adam:　No.　My host mother made it for me.　She is a very good cook.　I sometimes make breakfast with her.

Yui:　　That's great!　I have never made breakfast.

Adam:　Who makes your breakfast every day?

Yui:　　My father does.　He says I should learn how to cook.　Adam, I hope you'll teach me some breakfast recipes someday.

〈Answers〉

1. (b)

2. (b)

[２] アダムがアメリカの朝食について話しています。

　　Today I would like to talk about breakfast.　In America, many people like pancakes or bacon and eggs with a slice of toast.　You can see many kinds of breakfast foods in many places.　My favorite is cinnamon rolls.　Have you ever heard of them?

　　In Japan, my host mother makes miso soup every morning.　It is delicious!　She said miso is a traditional Japanese food and very healthy.　I want to learn more about Japanese food, *washoku*.
